Golden Valley Orchestra

Serving the community through beautiful music

Dear orchestra musician,

The Golden Valley Orchestra (GVO) will be following CDC guidelines at rehearsals and concerts.

At least one COVID vaccination is required to play with the GVO.

String and percussion players are required to wear masks during rehearsals and concerts if they have been exposed to flu/COVID systems. If you are not playing, exposed musicians should wear a mask while in the rehearsal or concert setting if possible.

Please do not come to rehearsal or a performance if you have more than one of the following symptoms.

1. Sore throat
2. Fever
3. Chills
4. Headache
5. Muscle aches and pains
6. Difficulty breathing/talking
7. Coughing
8. Fatigue

If you have come in contact with someone who has tested COVID positive or has had serve flu systems within the last 2-5 days, please get a test/or be check to make sure you are negative prior to coming to rehearsal or performance.

PLEASE notify our personnel manager Jennifer Becker at (612) 528-2239 and your section leader if you are ill.

Thank you.
